House adjourned.

THE PEOPLE

Constitutional Amend-

DECEIVER FOILED AT THE Woodruff's Confession Regarding Cronin's Murder, Dis-

Interesting Proceedings in the Senate and Hense Nesterday. Wassinguized the Senate in favor of the constitutional in favor of the constitutional amendment proposed by him for the election of Sonators by a popular vote. Already fifteen changes had been made in the Constitution, and been made in the Constitution, and who could say link any of them had not been well advised? All those amendments led up logically to the pending proposition. The present system of electing Senators, he declared, was unrepublican and victous. It was in purpose a declaration that for some cases it was masse to commit the election of Senators, he are the time of the people and a reflecting one the horsesty or capacitation of the people and a reflecting one the horsesty or capacitation of the committee o

and should find no recognition in a republic. As the conclusion of Micholith means he resolution was referred to the committee on privilence and choicion.

The House mendment to the National Joseph Park bell was agreed to, and the hill now goes to the President.

The District of Columbia appropriation bill was passed and, after executive session, the , Senate adjustment.

Rate 4—11, here we are.

Blantal addressed himself to a discussion of the monetary question. He had never regarded this question. He had never regarded this question as a party one, but from the fact that the republicans were holding cancers it would seem that they were going to make it one. Let the bill be brought in any other husbands in the second of the had not been that they were going to make it one. Let the bill be brought in, not under the gag law or the cancers. He proceeded to speak in favor of aliver, and characterized the hill as a demonstrating bill.

Cannon replied to Dockery's criticism. In view of the last administration and the last cancers, it seemed that the gettlerson had awallowed a cancel then and now was straining at a gust. In the Pfilieth Congress there were created as offices, of the second had the send of the second had been administration when the product of the second had been administration for the self-ment of the republican house for not beinging in a bill for the self-ment of the republican house for not beinging in a bill for the self-ment of the administration was the box of the administration was for the house of Congress. He was tool that there were one the eight be the month of eight house of Congress. He was tool that there were one the eight be the month of eight house of Congress. He was tool that the member of eight house of the administration was approved by one either thouse of congress. He was tool that there were one the eight between the business of the self-we that the law and its administration was approved by one of the eight of the places for twenty-free years to come, yet the young men and women to fill all of the places for twenty-free years to come, yet the young men and unget to spent their times and money to be more than t

Weedraff's Camination.

Citt'stoo, April IZ.—The sensational 'confession' of Frank Woodraff, which was so generally published last naturun, and which, among other things, stated that Alexander Sulfran, vice-predict of the national league, in Woodraff's presence handed a sum of money to Martin Barks, one of Cranil's nurserers, has been entirely discredited by the authorities here. State Alforney Longrecker, in disminsing the charge of muriler against Woodraff, thus referred to the sensational confession: "The State has one evidence to implicate State has one evidence to implicate

is, we we now nevertain, Woodraft in my years of the whole story, is the hope that his professed knowledge of greater crime in the most of the whole work in humanity for the ingest of fence, borns sleading. I am satisfied that woodraft have nothing about and had hothing to do with the Gronia namer in any compretion. His cry was simply the counting saterings of an investment last satisfactories for an investment of the goding and the country of the country of the woodraft's confeasion, whiley circulated at the time, did great injunctive its Alexander Sullvan and others, whose names he freely used.

The Ohlahuma Analysersary.

KANNAN CITY, April 22.—A year ago today Ohlahuma beams a part of the public domain. The anniversary of the event was fittingly celebrated throughout the country. In every city public meetings were held to give expression to the feelings of the settlers. At Ohlahuma City, instead of rejoicing, there was meuraling over the death of Captain Couch. His functual occurred: at moora, and it hought together a large concourse of people. Today had been decided upon by the thereafter bottomer as a fitting that is move than the country, the settlers having determined to obey President Harriscote subject to keep off the Indian hards until formally opened to settlement by Congress.

A Bailtone Night to Remainers.

A Redressed Nerthe Jonatinent.

New York, April 22—The Bords says that a strike of the employee of the New York Central & Burden River railrend may be ordered in a few days and its 25,000 men on the Hadson River division will quit work. The trouble as Red Ling Ibn man, is division will enter the control of the red of the properties of the control of the red of the period of the period of the control of the force se that the inen who remain are everworked.

LABOR TRUCKELS.

Address by Gosspera.—Nere Sirthes

Reported.

Circlago, April 22.—President

Gompers, of the Federation of Lalor, is in the city in conference
wills the labor leaders on the eight
hour movement.

Président Gompers tonight issued
an address to the wage-workers and
sympathicers with the progress of
America. He says:

"In accordance with the resolution of the Boston Convention of
the American Confederation of
Labor, to select a trade to make a
demand for the enhorement of an
eight-hour Monday on May 1st, the
securitive committee have decided
that the United Brotherhood of
Carpenters and Joines of America
shall make the demand."

It appears that the acute, power

It appears that the acute, power

the appears that the acute, power

that which seems not only to improve
the constitute to defeal a movement,

which seems not only to improve
the condition of the employed, but
which will find enigloprizent and
consequently save from poverty, degradation and despair, hundreds of
thousands of our left fellow men
and women. In view of this situation, it will be necessary for the
wage workers and the friends of
America to raily with grader unanimity of purpose than ever before, to
concentrate all their efficies to contract and overcome the action of our
reveales. They must voluntarily
contribute their mile to place at the
disposal of the American Federation

of Labor a sam of motiny sufficient
to meet all "contingencies."

This evening G unpers addressed
a mass meeting in Chicago. He demuniced as "beper" the non-unionties who were now taking the places

of the attribute carpenters of Chicago.
